

So, you're out shopping for your meals and one of your assigned meals isn't available or just isn't working for you. What do you do? Use the Curves Complete Heat & Eat guide to find a substitution. You can pick one of any of the following convenience foods for **lunch** or **dinner** on **any phase** of your plan. Pair your choice with one of the recommended sides listed on the last page of this guide, according to diet phase for a quick and healthy meal. Make sure you keep this handy overview available. V- represents vegetarian. GF - Represent gluten-free
